- Very good all-around performance with range similar to the Citation Encore, however, its high speed cruise is approximately 54 mph slower than the H400XP and 23 mph slower than the Encore.
- The Encore offers approximately 5 ft<sup>3</sup> of additional baggage volume vs. the CJ3, while the H400XP's baggage volume is roughly 11.8 ft<sup>3</sup> less than the CJ3.
- Cabin cross-section is identical to the Encore, however, the Encore features a longer interior seating length by 1.7 ft. which allows for greater passenger seating comfort.
- The CJ3's leg room in the two aft seats are not as comfortable when compared to other aircraft models in its class.
