

Citation Mustang

Very Light Jet Cabin Category

Comparable NetJets Models: N/A

High Speed Cruise: 378 mph

Typical Passenger Configuration: 4

Maximum Range @ LRC: 1,245 sm (2 pax) / 890 sm (4 pax)

Approximate Endurance @ HSC: 2.4 – 3.2 hrs

Baggage capacity: 57.00 ft³

- The Citation Mustang is essentially a niche aircraft for entry level jet consumers who own/operate their own aircraft (not necessarily targeted towards typical NetJets clientele).
- Offers good exterior baggage capacity for an aircraft of its size; slightly more baggage volume vs. the Hawker 400XP.
- The Citation Mustang's cabin area volume of 140 ft³ is smaller than a Chrysler Town & Country Minivan which has 160 ft³ of volume (H400XP has 305 ft³ of cabin volume).
- Ultra-regional range is not as generous as the range of any NetJets light cabin aircraft.
