

Gulfstream G280 (Preliminary)

Midsize Cabin Category

Comparable NetJets Models: Gulfstream G200 & Falcon 2000

High Speed Cruise: 540 mph

Typical Passenger Configuration: 9

Maximum Range @ LRC (preliminary): 3,734 sm (4 pax)

Approximate Endurance @ HSC: TBD

Baggage capacity: 154.00 ft³

- The cabin cross section will remain the same as the G200, however, cabin length has been extended. Also, the G280 baggage compartment will be accessible in flight.
- Gulfstream G280 will feature a new wing and T-tail design (similar to the G550), which will improve range and runway performance.
- Typical cabin configuration will accommodate 9 passengers, compared to 10 on the Falcon 2000. The F2000 baggage compartment is also a bit larger (184.00 ft³).
- The Gulfstream G280 should be certified by the end of 2011 with first deliveries shortly after.
