THE LUXURY EVENT

THURSDAY, MAY 31, 2012

In Chicago WPO, we believe our members deserve nothing but the best...so we're bringing that sentiment to you at our immersion into the world of luxury on May 31.

Here is a preview of the evening we have in store for you as we gather at Chicago Executive Airport:

- NetJets will fly in three of their most popular aircraft for members to explore.
- Ferrari, Maserati, Bentley and Rolls Royce will display their latest offerings and cars will be available for test drives.
- Models will be wearing and featuring spectacular jewelry by Harry Winston.
- The latest high end designer fashions will be on display by Neiman Marcus.
- We have more exciting "toys" to share...but we're keeping them under wraps until the big event.

On behalf of our partner NetJets, our keynote speaker will be Tom Brokaw, who served as anchor and managing editor of *NBC Nightly News* from 1982 to 2004. Mr. Brokaw is the author of *The Greatest Generation* (1998) and several other books. He has hosted all three major NBC News programs: *The Today Show*, *NBC Nightly News*, and *Meet the Press*. He now serves as a Special Correspondent for NBC and works on documentaries.

After we gain new insights from one of the nation's most respected journalists, we will enjoy a delicious dinner catered by RL Restaurant, including wines from YPO-member vineyards Staglin and Silver Oak.

While many of us appreciate and enjoy life's finer things, the evening wouldn't be complete without recognizing and contributing to those less fortunate than us. To make this intention a reality, we will be conducting a charity raffle which will raise funds for Children's Memorial Hospital and The Starlight Children's Foundation.

Raffle items will include a Harry Winston diamond watch, a private catered dinner party at the new Ritz Carlton residences in Chicago, and VIP tickets to the Pebble Beach Tour de Elegance along with other exciting prizes. Bring your checkbooks; credit cards will not be accepted.
