

## Citation TEN (preliminary data)

Super-Midsize Cabin Category

Comparable NetJets Models: Citation X

**High Speed Cruise:** 590 mph

**Maximum Passengers:** 8 - 12

**Maximum Range @ HSC, MTOW:** 3,350 sm (estimated)

**Approximate Endurance @ HSC:** TBD

**Baggage capacity:** 72.00 ft<sup>3</sup>

- The Citation TEN is a variant of the Citation X, featuring upgraded engines, Garmin 5000 avionics, and a 15-inch fuselage extension.
- The Citation TEN will feature the same cabin cross-section as the current Citation X, which is also the same as the Citation XLS/Excel and Citation Sovereign.
- First flight of the Citation TEN occurred in late 2011. Certification and first deliveries are anticipated in 2013.
